UNIT MEETING

February 13, 7:30 P.M. at the Post Home

THE FOUR CHAPLAINS

In the early morning of February 3, 1943, the U.S. Troop Transport "Dorchester" was struck by an enemy torpedo. Most of the 900 troops on board were asleep in their bunks. Through the darkness, panic and confusion, the Four Chaplains on board passed out life jackets and led the men to lifeboats. Through their efforts, these heroic men helped save over 200 lives. The Auxiliary will have our own remembrance at our membership meeting February 13, at 7:30pm. Please try to attend this ceremony so that their memory will never be forgotten.

From the Chaplain's Corner, Peggie O'Neill-Baron

With this year's theme in mind, "Service **NOT SELF**", let's shower our male and female veterans with extra love & prayers this month! Happy Valentine's Day! Father God, this month we seek to honor our veterans who are your sons & daughters who have or are now serving our country. Lest we never forget that because some gave, some continue to give, while others gave all so we can have the freedom of choices we enjoy today. We ask that you grant them abundant blessings & unlimited rewards every day. Amen. **"Love your neighbor as yourself" – Matthew 22:37-39**
