### **Community Service**

Making our communities better places in which to live is something Auxiliary members strive for each and every day across this country. Whether it is hosting a stand down to bring vital health and support services to homeless veterans or coordinating a send-off or welcome-home event for a deployed military unit, Auxiliary members are continuously at work in their communities, demonstrating the compassion and heart we have for those who serve our country and give so much. Community Service projects focus on enhancing the quality of life for veterans and their families.

A major outreach program of the Auxiliary since 1926, Community Service also demonstrates our longstanding commitment to supporting the work of American Legion posts and other organizations in providing assistance with blood drives, first aid and CPR training, child safety programs, support for women in shelters, and disaster and emergency preparedness programs. All community projects point toward improving life for our veterans and their families, and the most important Auxiliary Community Service projects involve making donations to and supporting shelters for homeless veterans.

## OTHER UNIT NEWS

**From the President:** Many thanks to those of you who helped support our Post picnic this year! Food, fun, family and games made this another successful event for all. This year our meetings will include going over the Constitution and By-laws and Standing Rules for our Unit. We are required to keep our governing documents up-to-date with both National and Department. We will be reading these documents in preparation for accepting them and sending to Department for approval. This will be a good opportunity to acquaint everyone with these vital documents.
